AGREEMENT

This Agreement is made and entered into by and between SCHOOL DISTRICT NO. 1 IN THE CITY AND COUNTY OF DENVER AND STATE OF COLORADO AND VOCATIONAL TEACHERS' FEDERATION OF DENVER, LOCAL 203, this August 1, 2023, and shall constitute Board Policy for the term of the Agreement, and herein in good faith.

- D. This Agreement shall be governed and construed according to the Constitution and laws of the State of Colorado.
- E. The Board agrees it will not, during the period of this Agreement, officially adopt or implement any condition of employment contrary to the terms of this Agreement until such condition has been a subject of negotiation as provided by Articles 4 and 5. If modifications to conditions of employment are needed because of state or federal legislation, and the use of Articles 4 and 5 is untimely or impractical, the implementation of such conditions shall be made after a meeting with representatives of the Federation to minimize effects on the provisions of the Agreement.
- F. Pursuant to the laws of the United States and of the State of Colorado, the Board shall continue its policy of not discriminating against any teacher or unlawfully restricting the rights of teachers as citizens on the basis of race, creed, color, national origin, sex, sexual orientation, marital status, age, handicapping condition, membership in any teacher organization, or such other specified human or civil rights as may be protected by Statute.

Recognition shall continue for such additional periods of time under such procedures approved by the Board.
 - 1. If the district restructures positions within the union as defined in Article I, it will first consult with the union regarding the proposed articles and give the union 30 days to respond and provide recommendations.
- B. All rights and privileges granted to the Federation under the terms and provisions of this Agreement are for the exclusive use of the Federation.

ARTICLE 4-SUCCESSOR AGREEMENT

Beginning June 1, 2026, a review of the Agreement may be initiated by the Board or its representatives to the Federation, or by the Federation to the Board or its representatives. Review and negotiations are to be initiated by consent, and shall be conducted according to the procedures provided for in Article 5. Unless otherwise mutually agreed, such review and negotiations, including any mediation related thereto, shall terminate not later than August 31, 2026.

ARTICLE 5-PROCEDURES FOR NEGOTIATIONS

A. Request for Negotiations

1. Written requests for negotiations between the Board and the Federation may be submitted on such matters concerning teachers' salaries, wages, hours, and conditions of employment. All proposals relevant to these issues are subject to negotiation. Such requests will specify the subject matter to be considered.
2. A written response will be made within ten (10) school days of the receipt of any such written request.
3. Negotiations will be conducted at times and places mutually agreeable to the negotiators named by each party, provided, however, that the first meeting shall be held within ten (10) school days of such written response.
4. The Board and the Federation agree to accept and consider recommendations from the community when modifying this Agreement.
5. The parties to this Agreement recognize that the public has an interest in the negotiations, and acknowledge a duty to jointly inform the public of the status and progress of negotiations.
6. During negotiations the Board and the Federation will present relevant data, exchange points of view, and make proposals and counter-proposals. Upon request of either party, the other will make available for inspection its records and data pertinent to the subject of negotiations.
7. If negotiations are scheduled during the school day, the negotiators shall be released from their regular duties with no loss of pay.
8. Either party may use the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations
9. Tentative agreements reached as a result of such negotiations will be reduced to writing and will have conditional written approval of both parties, pending final adoption and approval of the school district budget. After such adoption and approval, the final Agreement will be signed by the Board and Federation. If changes in this tentative Agreement are necessary as a result of a legal budget adoption process, the Agreement will be subject to negotiation and any changes would become an addendum to this Agreement.

B. Impasse Resolution/Mediation

1. Either party may declare an impasse. If this occurs, a mediator shall be selected from either the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association. If the parties agree to use the American Arbitration Association, the mediator shall be selected in the following manner:

- a. The American Arbitration Association shall submit simultaneously to each party an identical list of names of five (5) persons skilled in mediation and knowledgeable in postsecondary CTE matters. Each party will have seven (7) business days from the mailing date in which to cross off any names to which it objects, number the remaining names in order of its preference, and return the list to the American Arbitration Association. If a party does not return this list within the time specified, all persons named therein shall be deemed acceptable.
 - b. From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the American Arbitration Association shall invite the acceptance of a mediator.
 - c. If the parties fail to agree upon any of the persons named, or if those named decline or are unable to act, or if for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint a mediator from its other members without submitting additional lists.
2. Any mediation efforts must be concluded by August 31, 2026, unless extended by mutual agreement, and will be conducted under rules determined by the mediator.
 3. If mediation is unsuccessful and if both parties agree, the mediator may issue a written report to the parties explaining the matters still at issue.
 4. The parties agree to share the cost of mediation equally.

ARTICLE 6-EFFECTIVE DATES & DURATION

- A. This Agreement shall remain in full force and effect from September 1, 2023 to August 31, 2026, except that the Agreement shall terminate on August 31, 2026, unless the Federation shall continue as the sole negotiating representative of Adult CTE Teachers of the district under the procedures approved by the Board. Salary, inclusive of step increments and benefits, will be reopened for negotiations on an annual basis.
- B. The Board shall publish this Agreement on its Employee Association [website](#) and provide all teachers with access to the link. If the District and union elect to print Agreements, the cost of printing the Agreement will be shared equally between the Board and the Federation.

ARTICLE 7 – GRIEVANCES

7.1 Definitions

- 7.1.1 A "Grievance" shall mean a written complaint by an Employee or Employees in the Bargaining Unit that there has been a violation, misinterpretation, or inequitable application of any of the provisions of this Agreement or an administrative procedure, practice, or written personnel policy that affects Employees

Unless provided otherwise in the Agreement, an Employee may grieve an alleged violation, misinterpretation, or inequitable application of an administrative procedure, practice, or written personnel policy that affects Employees up to Level II, but only cognizable violations, misinterpretations, or inequitable applications of the Agreement may go to Level III upon the request of the Federation.

- 7.1.1.1 The term "Grievance" shall not apply if: (1) the method of review of a matter is

prescribed by law, (2) the Board is without authority to act on a matter, or (3) a Grievance is specifically prohibited or limited by the terms of this Agreement.

7.1.1.2 "Party of Interest" shall mean any person who might be required to take action or against whom action might be taken in order to resolve the claim.

7.1.1.3 "Grievant" shall mean an Employee or group of Employees asserting a Grievance.

7.1.1.4 A grievance does not include a complaint of discrimination covered by this agreement and/or Board Policy AC. An employee who believes that they have been a victim or witness to discrimination or harassment may make a complaint by following the Discrimination Prevention and Response (DPR) process that is fully outlined in Superintendent Regulation AC-R1 or any other applicable regulation.

7.2 Purpose

The purpose of this procedure is to secure equitable solutions at the lowest possible administrative level to problems that may arise. To the extent permitted by law and District policy, the Board and the Federation shall keep grievance proceedings informal and writings and resolutions confidential.

7.2.1 Procedure. Since it is important that Grievances be processed as rapidly as possible, the number of days indicated at each level is a maximum, and every effort should be made to expedite the process. Specified time limits will be strictly enforced, and a Grievance not timely presented will be considered waived. The time limits specified may, however, be extended by mutual agreement of the parties. If a grievance is filed which might not be finally resolved at Level II under the time limits set forth herein prior to the end of the school year, the time limits will be reduced so that the grievance procedure will be concluded prior to the end of the school year, or as soon thereafter as practicable.

7.2.1.1 The Board agrees to make available to the Grievant and the Grievant's Federation representative all information in its possession or control not privileged under law that is relevant to the issues raised by the Grievant. The Federation agrees to make available to the Board and its representatives all information in its possession or control not privileged under law that is relevant to the issue raised by the Grievant.

7.2.1.2 If the Federation identifies an Employee as a witness whose testimony will be required at a meeting or hearing pursuant to this Article 5 during the Employee's Workday, the Federation shall notify the Executive Director or designee at least five (5) Business Days prior to the date of the meeting or hearing absent extenuating circumstances. As long as the Federation provides the requisite notice, the Employee will be released without loss of pay for such time as his or her attendance is required at such a meeting or hearing.

7.3 Timing.

No Grievance shall be recognized by the District or the Federation unless it is presented at Level I within fifteen (15) Business Days after the Grievant knew or should have known of the circumstances upon which the Grievance is based. However, if the Federation determines that a Grievance affects a group of Employees, the Federation may submit the Grievance in writing at Level II. No Grievance shall be recognized at Level II unless the Federation files the Grievance with the Department of Human Resources within twenty (20) Business Days after the Grievant knew or should have known of the circumstances upon which the Grievance is based.

7.3.1 Level I

A Grievant shall first present a Grievance to his/her immediate supervisor to attempt to resolve the matter informally. Grievances not timely presented shall not be considered. The Grievant may be accompanied by a Federation representative during the Level I meeting, and the Executive Director of the Department or designee may attend the Level I meeting in an effort to resolve the Grievance at the lowest possible administrative level. The parties will document the time and date of the informal meeting.

7.3.2 Level II

If the Grievant is not satisfied with the disposition of the Grievance after the informal Level I meeting, the Grievant may file a Grievance in writing on a [Grievance Disposition Form](#) with the Department of Human Resources within seven (7) Business Days of the Level I meeting.

The Grievance must refer specifically to the articles of the Agreement and/or Board policy, procedures, or practices that the Grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level I decision is unsatisfactory. Both the Grievant and his or her immediate supervisor shall sign the Grievance Disposition Form. The Grievant's immediate supervisor shall also have the opportunity to provide comments related to the Level I process on the Grievance Disposition Form. No additions to the Grievance Disposition form may be made after it has been signed by the Grievant and his or her immediate supervisor.

Upon receipt of a Grievance, the Department of Human Resources shall schedule a Level II grievance meeting. The Level II grievance meeting shall take place within fifteen (15) business days of the Department of Human Resources' receipt of the Grievance.

During the Level II grievance meeting, the Superintendent or designee shall meet with the Grievant, the Federation representative, and any Parties of Interest to attempt to facilitate a resolution. If, at the Level II meeting, there is an agreed-upon resolution to the Grievance, the resolution will be documented in writing and signed by the Grievant and the Superintendent or designee. Any resolution reached at the Level II meeting shall be final, and no continuation of the Grievance will be permitted.

If no resolution is reached during the Level II meeting, the Superintendent or designee shall issue a written response to the Grievant on the merits of the Grievance.

7.3.3 Level III

If the Grievant is not satisfied with the disposition of the Grievance at Level II, or if no decision has been rendered within ten (10) Business Days after the Superintendent or designee has conducted the Level II meeting, the Grievant may request that the Federation submit the Grievance to arbitration or mediation. This request must be made within seven (7) Business Days of the Grievant's receipt of the Level II decision.

If the Federation agrees to submit the Grievance to arbitration, the Federation shall submit a written demand for arbitration to the Superintendent or designee within twenty-five (25) Business Days of the Federation's receipt of the Grievant's request for arbitration. The demand for arbitration must refer specifically to the articles of the Agreement that the Grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level II

decision is unsatisfactory.

- 7.3.4 Mediation. Upon mutual agreement of the Federation and the Executive Director or designee, the parties may submit the Grievance to mediation before scheduling arbitration. If dissatisfied with the mediation process the Federation may elect to proceed with the arbitration process.

If the parties agree to mediation, the parties shall jointly select a mediator from a list provided by the American Arbitration Association. Alternatively, by mutual consent, the parties may utilize the Federal Mediation and Conciliation Service (FMCS). If the parties cannot agree on a mediator, the Grievance shall be submitted to arbitration.

At the conclusion of the mediation process, the parties will implement any action agreed to through the mediation process. If the mediation process is unsuccessful, the Federation may demand arbitration within seven (7) Business Days of the conclusion of mediation.

- 7.3.5 Arbitration. If the Federation elects arbitration, the Superintendent or designee shall determine whether, in the District's opinion, the Grievance is arbitrable. If the District concludes that the Grievance is not arbitrable, the Superintendent or designee shall inform the Federation in writing of the procedural and/or substantive grounds that support the District's conclusion. If there is a dispute between the Association and the District about whether a Grievance is arbitrable and such dispute cannot be resolved in this grievance procedure, the decision about arbitrability shall be made (a) by an arbitrator if the dispute is only about procedural arbitrability, such as an issue about whether a grievance was filed in a timely manner; or (b) by a court if the dispute is about substantive arbitrability, such as the question of whether the grievance alleges a cognizable violation, misinterpretation, or inequitable application of a provision of the Agreement.

If the Grievance is arbitrable, the Superintendent or designee and the President of the Federation shall meet to discuss selection of an Arbitrator. If the Superintendent or designee and the President of the Federation agree on an Arbitrator, the Superintendent or designee shall submit a request for the agreed-upon Arbitrator to preside over the Grievance.

In the event that the parties cannot agree on the choice of an Arbitrator, they shall submit a joint request to the American Arbitration Association for a list of seven (7) Arbitrators skilled in arbitration of educational and CTE issues. Within ten (10) Business Days of the receipt of the list, representatives of the Federation and the District shall meet and alternately strike a name on the list. The last name remaining shall be the appointed Arbitrator.

7.3.5.1 The Arbitrator will have authority to hold hearings and make procedural rules.

7.3.5.2 All hearings held by the Arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.

7.3.5.3 The Board will present all relevant material so that the Arbitrator will have complete information upon which to base a decision. A copy of any information presented to the Arbitrator will be provided to the Grievant.

7.3.5.4 The Arbitrator will issue a report within thirty (30) Business Days after the close of the hearings and submission of any post hearing briefs. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.

7.3.5.5 The Arbitrator's report shall be submitted in writing to the Board and the

Federation only, and shall set forth the Arbitrator's finding of fact, reasoning, conclusions, and recommendations on the issues submitted. The Arbitrator's recommendations shall be consistent with law and with the terms of this Agreement. The Arbitrator's report shall be advisory only, and not binding on the Board or the Federation.

- 7.3.5.6 Within seven (7) Business Days after receiving the report of the Arbitrator, the Board's designee and the Federation's designee will meet to discuss the report. If the Federation wishes to respond to the Arbitrator's recommendation, the Federation may submit a written response to the Board's designee within fourteen (14) Business Days following the Federation's receipt of the report of the Arbitrator. The Board will review and consider any response by the Federation and shall accept or reject the report of the Arbitrator not later than thirty (30) Business Days after receipt of the Arbitrator's report unless the Federation and the Board agree in writing to extend this deadline. No public release may be made until after the next legislative meeting of the Board of Education.
- 7.3.5.7 The costs for the services of the Arbitrator or mediator including per diem expenses, if any, plus actual and necessary travel and subsistence expenses, shall be shared equally by the Board and the Federation.
- 7.3.5.8 Upon mutual written consent of the Federation and the Board, the parties may make a recording of the arbitration proceedings. Any party may request an official stenographic record of the testimony of the hearings. The party requesting shall pay the costs. If the other party requests a copy of the record, both parties shall split the cost of making the stenographic record.
- 7.3.5.9 In appropriate cases, both parties may agree to follow the expedited rules and procedures of the American Arbitration Association or the Federal Mediation and Conciliation Services FMCS in processing any Grievance at Level III, except that the Arbitrator shall always be chosen pursuant to Article 7.3.5.

7.4 Rights of Employees to Representation

- 7.4.1 Neither the Board nor any member of the Federation shall take reprisals affecting the employment status of any person, any Party of Interest, any Grievant, any Federation representative, or any other participant in the grievance procedure by reason of such participation.
- 7.4.2 All Employees who file a Grievance shall be represented solely by the Federation and/or the Federation's designee(s) at all levels of the grievance procedure, except that the Grievant may decline representation at Level I. A Grievance may not proceed from Level I to Level II or from Level II to Level III without the consent of the Federation and without the Federation's representation of the Grievant.

ARTICLE 8-FEDERATION PRESIDENT

- A. The Board shall grant paid leave for three (3) days during the school year to the president of the Federation to conduct the business of the Federation during the term in office. The Federation shall reimburse the Board for one-half (1/2) of the president's salary.
- B. The president of the Federation or designee shall be allowed to contact teachers and conduct business of the Federation in a manner that will preserve the integrity of the workday.

ARTICLE 9-TEACHER APPRAISAL

- A. The objectives of teacher appraisals are the maintenance of instructional standards, the professional growth of teachers, and delivery of the best educational programs for students, and should be considered by a teacher and principal, or designee, as a positive process that is entered into in a spirit of cooperation.
1. All evaluators will be trained under the EGTC's evaluation system. The evaluator shall be knowledgeable in the field of study being evaluated to the greatest extent possible.
- B. The appraisal process will be fully discussed by teacher and Executive Director, or designee, to ensure awareness of procedures to be followed and desired outcomes.
1. The procedures shall be published and available for review by all teachers, and a copy will be given to each teacher prior to any scheduled appraisal.
 2. As needed, the Executive Director and the Federation shall study and make recommendations regarding the amendment of the appraisal to include:
 - a. A process for receiving appropriate input from teachers and Federation representatives for refining and improving the appraisal system.
 - b. A process that will assist teachers in identifying areas of strength and weakness and will suggest possibilities for greater effectiveness.
 - c. A mentor or senior teacher will be assigned to new teachers to help them through the appraisal process as well as learning who, what, where, and how to do their job more effectively. All mentorship training will be paid out at a rate of \$41.00 per hour. This pay will be in addition to the mentor or senior teacher's hourly rate when mentorship training occurs during the regularly scheduled work day.
- C. All advisors, contract and traditional teachers will establish goals and objectives annually. Teacher appraisals will be conducted annually.
1. The teacher will establish goals and objectives in collaboration with the evaluator at the start of the academic year or within sixty (60) days of their start date.
 2. There will be a minimum of one formal classroom observation per year.
 3. A pre-observation notification will identify areas of focus during the observation as well as provide context regarding the scope and sequence of the instruction to be observed.
 4. The observation will last a minimum of 30 minutes.
 5. A post observation conference will be held within 5 business days following the observation unless an extension is mutually agreed upon. This conference provides an opportunity for the evaluator to gain understanding regarding the instructional methodology observed as well as an opportunity to provide feedback regarding areas of strength and opportunities for growth including suggestions for improvement.
 6. Following the post observation conference an observation report will be prepared by the evaluator. Teachers will be given a copy of any appraisal and will discuss such report with the administrator preparing it before it is submitted to the teacher's personnel file. After such review, teachers shall sign the report and designate whether they agree or disagree with the report. If they disagree, within 7 business days of the discussion with the administrator preparing the report, the teachers may attach a letter of explanation to the report for inclusion in the central office file.

- D. A plan for improvement will be developed to assist teachers with areas that are rated unsatisfactory on the performance appraisal. The plan will be no less than thirty 30 calendar days in duration and no greater than ninety days (90) calendar days in duration. A Federation representative may be present at the meeting to develop the plan at the request of the teacher.

At the conclusion of the timeline for the Plan of Improvement, a conference shall be held between the designated administrator and the employee at which time the initial concerns and steps to correct deficiencies will be reviewed. A Federation representative may be present at the request of the teacher. If the review results are satisfactory to the designated administrator, the appraisal is concluded. If the review results are not satisfactory, the designated administrator may initiate appropriate action as follows:

1. Extend the plan's timeline, or
2. Recommend termination of employment.

- E. Beginning school year 2021-2022, an evaluation committee shall be formed to provide recommendations for establishing criteria process and procedures for evaluation. The committee will have representatives from VTF and the EGTC administration.

ARTICLE 10- CORRECTIVE ACTION

Before taking a corrective action against a teacher, the Executive Director or designee shall investigate the matter of concern and meet with the teacher to hear the teacher's response regarding the matter. The employee's supervisor shall follow the procedures and protocol pursuant to the District's "[Basic Fairness and Due Process Guidelines for Corrective Discipline](#)." Upon request, a teacher may be accompanied by a Federation representative during the corrective action process.

ARTICLE 11-TEACHER FILES

- A. All permanent central office teacher files shall be maintained under the following conditions:
1. All materials placed in the permanent central office teacher files, and originating from within the school district, from this date forth, shall be available for inspection by teachers at their request.
 2. Material originating from within the school district, and which is derogatory to a teacher's conduct, service, character, or personality, shall not be placed in a teacher's file unless the teacher has had an opportunity to read the material. Teachers shall acknowledge that they have read such material by affixing their signature on the actual copy filed. Such signature does not necessarily indicate agreement with its content.
 3. Teachers shall have the right to submit a written response to defend any derogatory materials filed. Their written response shall be reviewed by the Department of Human Resources and attached to the file copy.
 4. All reference materials originating from outside the system on the basis of guaranteed confidentiality shall not be subject to this Agreement, and therefore shall not be available for inspection by the teacher.
 5. A log will be kept in the Department of Human Resources, which must be signed and dated by any person examining the file, except for the central office personnel.

ARTICLE 12-INSTRUCTIONAL MATERIALS

The Board will endeavor to provide sufficient instructional materials and equipment necessary for quality vocational programs to ensure that each student will have the best possible education. Consistent with Board policies and procedures, contract teachers may be reimbursed for authorized business expenses incurred when specifically authorized by the Executive Director or designee. All reimbursement requests must be submitted with appropriate documentation (including itemized receipt) within sixty (60) days of expense.

ARTICLE 13-TEACHING HOURS AND TEACHING LOAD

A. Customary Regular School Day, Week, and Year Traditional Contract Teachers

The customary regular school day will be eight (8) hours from Monday – Thursday, and five (5) hours on Friday. Some programs require a flexible school day. Full-Time Contract Teachers will work 1,600 hours per contract year, with flexibility on how those hours are worked, based on Executive Director or designee discretion and approval. To the extent possible, Saturday and Sunday will not be workdays. Based on program and operational needs, teachers may be assigned to work on Saturday and/or Sunday within their contract year. To the extent possible, a change in assignment which results working on Saturday and Sundays will be on a temporary basis consistent with Article 15.

1. Fridays may include self-directed class and program planning time, continued education, the advancement of technical skills, meetings, and opportunity to access relevant field base experience to sustain competency in areas of student instruction and other administrative duties. A request for change of assignment will not be granted if the employee does not meet the posted qualifications for the existing vacancy.
 - 2. The best educational program results from the selection of a school staff which is well balanced in terms of the contract teachers' experience, general background, and competence. Careful consideration will be given to each of the above when filling vacancies.
