5.1.3 "Grievant" shall mean an Employee, group of Employees or the Union asserting a Grievance.

To the extent permitted by law and District policy, the Board and the Union shall keep grievance proceedings informal and writings and resolutions confidential as much as appropriate at any level.

5.3 Procedure

Since it is important that Grievances be processed as rapidly as possible, the number of days indicated at each level is a maximum, and every effort should be made to expedite the process. Specified time limits will be strictly enforced, and a Grievance not timely presented will be considered waived. The time limits specified may, however, be extended by mutual written agreement.

5.3.1 The Board agrees to make available to the Grievant and the Grievant's Union representative all information in its possession or control not privileged under law that is relevant to the issues raised by the Grievant. The Union agrees to make available to the Board and its representatives all information in its possession or control not privileged under law that is relevant to the issue raised by the Grievant. However, if the Union determines that a Grievance affects a group of Employees, the Union may submit the Grievance in writing at Level II. No Grievance shall be

recognized at Level II unless the Union files the Grievance with the Department of Human Resources within twenty (20) Business Days after the Grievant knew or should have known of the circumstances upon which the Grievance is based.

5.4.1 Level I

A Grievant shall first present a Grievance to his/her immediate supervisor to attempt to resolve the matter informally. Grievances not timely presented shall not be considered. The Grievant may be accompanied by a Union representative during the Level I meeting, and the Executive Director of the Department or designee may attend the Level I meeting in an effort to resolve the Grievance at the lowest possible administrative level. The parties will document the time and date of the informal meeting.

5.4.2 Level II

If the Grievant is not satisfied with the disposition of the Grievance after Level I meeting, the Grievant may file a Grievance in writing with the Department of Human Resources within seven (7) Business Days of the Level I meeting.

The Grievance must refer specifically to the articles of the Agreement and/or Board policy, procedures, or practices that the Grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level I decision is unsatisfactory. Both the Grievant and his or her immediate supervisor shall sign the Grievance Disposition Form. The Grievant's immediate supervisor shall also have the opportunity to provide comments related to the Level I process on the Grievance Disposition Form. No additions to the Grievance Disposition form may be made after it has been signed by the Grievant and his or her immediate supervisor.

Upon receipt of a Grievance, the Department of Human Resources will meet with the Union in an effort to resolve the grievance. Such meeting will take place (10) business days after the receipt of the written grievance. If, after the Level II meeting, there is an agreed-upon resolution to the Grievance, the resolution will be documented in writing and signed by the Grievant and the Executive Director of Transportation and/or the Department of Human Resources. Any resolution reached as a result of the Level II meeting shall be final, and no continuation of the Grievance will be permitted.

If no resolution is reached during the Level II meeting, the Department of Human Resources shall issue a written response to the Grievant on the merits of the Grievance.

5.4.3 Level III

If the Grievant/Union is not satisfied with the disposition of the Grievance at Level II, or if no decision has been rendered within ten (10) Business Days after the Department of Human Resources has conducted the Level II meeting, the Grievant may request that the Union submit the Grievance to arbitration or mediation. This request must be made within seven (7) Business Days of the Grievant's receipt of the Level II decision.

If the Union agrees to submit the Grievance to arbitration, the Union shall submit a written demand for arbitration to the Department of Human Resources within twenty-five (25) Business Days of the Union's receipt of the Grievant's request for arbitration. The demand for arbitration must refer specifically to the articles of the Agreement that the Grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level II decision is unsatisfactory.

5.4.3.1 Mediation. Upon mutual agreement of the Union and the Superintendent or designee, the parties may submit the Grievance to mediation before scheduling arbitration. If dissatisfied with the mediation process the Union may elect to proceed with the arbitration process.

If the parties agree to mediation, the parties shall jointly select a mediator from a list provided by the American Arbitration Association. Alternatively, by mutual consent, the

parties may utilize the Federal Mediation and Conciliation Service (FMCS). If the parties cannot agree on a mediator, the Grievance shall be submitted to arbitration.

At the conclusion of the mediation process, the parties will implement any action agreed to through the mediation process. If the mediation process is unsuccessful, the Union may demand arbitration within seven (7) Business Days of the conclusion of mediation.

5.4.3.2

Arbitration. If the Union elects arbitration, the Superintendent or designee shall determine whether, in the District's opinion, the Grievance is arbitrable. If the District concludes that the Grievance is not arbitrable, the Superintendent or designee shall inform the Union in writing of the procedural and/or substantive grounds that support the District's conclusion. If there is a dispute between the Association and the District about whether a Grievance is arbitrable and such dispute cannot be resolved in this grievance procedure, the decision about arbitrability shall be made (a) by an arbitrator if the dispute is only about procedural arbitrability, such as an issue about whether a grievance was filed in a timely manner; or (b) by a court if the dispute is about substantive arbitrability, such as the question of whether the grievance alleges a cognizable violation, misinterpretation, or inequitable application of a provision of the Agreement.

If the Grievance is arbitrable, the Superintendent or designee and the President of the Union shall meet to discuss selection of an Arbitrator. If the Superintendent or designee and the President of the Union agree on an Arbitrator, the Superintendent or designee shall submit a request for the agreed-upon Arbitrator to preside over the Grievance.

In the event that the parties cannot agree on the choice of an Arbitrator, they shall submit a joint request to the American Arbitration Association for a list of seven (7) Arbitrators skilled in arbitration of educational and transportation issues. Within ten (10) Business Days of the receipt of the list, representatives of the Union and the District shall meet and alternately strike a name on the list. The last name remaining shall be the appointed Arbitrator.

- 5.4.3.2.1 The Arbitrator will have authority to hold hearings and make procedural rules.
- 5.4.3.2.2 All hearings held by the Arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings. To the extent permitted by law and District policy, the Board and the Union shall keep arbitration proceedings confidential.
- 5.4.3.2.3 The Board will present all relevant material so that the Arbitrator will have complete information upon which to base a decision. A copy of any information presented to the Arbitrator will be provided to the Grievant/Union.
- 5.4.3.2.4 The Arbitrator will issue a report within thirty (30) Business Days after the close of the hearings and submission of any post hearing briefs. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.
- 5.4.3.2.5 The Arbitrator's report shall be submitted in writing to the Board and the Union only, and shall set forth the Arbitrator's finding of fact, reasoning, conclusions, and recommendations on the issues submitted. The Arbitrator's recommendations shall be consistent with law and with the terms of this Agreement. The Arbitrator's report shall be advisory only, and not binding on the Board or the Union.
- 5.4.3.2.6 Within seven (7) Business Days after receiving the report of the Arbitrator, the Board's designee and the Union's designee will meet to discuss the report.
