DISTRICT MISSION STATEMENT

The mission of the Denver Public Schools, the center of community learning, is to provide all students the opportunity to achieve the knowledge and skills necessary to become contributing citizens in our society.

The Board and the Association recognize and declare that providing a quality education for the pupils in the Denver Public Schools is the paramount aim of this school District, and that the character of such education depends, in part, on the quality and morale of the classified office professionals of the District.

The Board and the Association further recognize and declare that:

The Board of Education, under law, has the final responsibility of establishing policies for the school District.

The Superintendent and the Superintendent's staff have the responsibility of carrying out the policies established.

The classified office professionals have the responsibility of providing the best possible skilled clerical services, which require the possession of specialized training and qualifications.

Attainment of the objectives of the educational program of the District requires mutual understanding and cooperation between all concerned. The District and the Association agree to abide by and enforce the provisions of this Agreement in good faith.

This Agreement herein, when ratified by the Denver Association of Educational Office Professionals and adopted by the Board of Education, shall constitute the entire Agreement between DAEOP and the Board of Education of School District No. 1 in the City and County of Denver and State of Colorado.

COMMITMENT TO OUR PARTNERSHIP

It is in the interest of both the District and the Denver Association of Educational Office Professionals (DAEOP or "Association") that the terms of the Agreement be understood and enforced. The Agreement is for the benefit of the DAEOP unit members and the District. It is recognized by both parties that the Agreement contributes to the District's mission of providing all students the opportunity to achieve the knowledge and skills necessary to become contributing citizens in our society.

Enforcement of and compliance with the Agreement is essential. Both parties have a shared interest in developing a joint ownership and commitment in terms of both the letter and spirit of the Agreement. The District and the Association recognize their collaborative responsibility to promote positive change in the Denver Public Schools. Following is a systemic framework for

improving the enforcement of the Agreement while laying a foundation for joint ownership and a greater commitment to living under the terms of the Agreement.

The Agreement – The Agreement reflects the core beliefs and values of the District and the Association. It describes the procedures all DAEOP unit members and administrators will follow. In doing so, we will ensure the continuation of the commitment to our partnership that supports the District’s mission.

Organizational Structure – Organizations in the District have an explicit role in supporting and promoting the enforcement of and commitment to the Agreement. The Board and the Association governance bodies understand the importance of their roles, encouraging everyone in the District to respect the terms of the Agreement and use it as a tool to jointly resolve legitimate differences.

Communication – We recognize the importance of open and ongoing communication. As part of our partnership, the District and the Association commit to regular meetings to discuss matters of mutual concern such as staffing and budget development.

Training – To maintain the partnership, we recognize the need for ongoing training for DAEOP unit members. The training should focus not just on the rules, but also emphasize problem solving, decision-making, and relationship building.

Staffing – The Association and the District recognize the need for skilled and properly classified Office Support Professionals who can perform the job functions necessary to provide school staff, students and communities with the support to deliver quality education.

Such signature does not indicate agreement with the content of such material.

3.9.3 *Equitable Handling of Complaints*

When a person makes a written or verbal complaint against an employee, the principal, investigator or designee will, when appropriate, notify the employee of the complaint/complainant. The District representative will have the exclusive responsibility to make the determination of when it is appropriate to notify the employee of the complaint/complainant. Such a letter of warning may be placed either in the employee's personnel file or at the supervisor's desk file. However, when the supervising administrator justifiably determines that the behavior or actions of the employee are of such a serious nature as to warrant a letter of reprimand, such letter of reprimand may be issued by the supervising administrator in the absence of a letter of warning. No such letters of reprimand shall be forwarded unless the allegations contained therein are supportable by evidence. The employee has a right to rebut any material placed into their file in accordance with Article 3.9.5. Such corrective actions and their appropriateness are subject to the grievance procedure.

ARTICLE 4—NEGOTIATIONS

4.1 Full-Agreement Negotiations

Either the Association or the Board may request full-agreement negotiations by submitting to the other party a written request between March 1st and March 31st of the year in which the Agreement is scheduled to expire. The written request shall specify the subject matter to be considered in negotiations.

4.1.1 Full-agreement negotiations will be held on mutually-acceptable topics with

the intent to finalize by June 15th of the year in which the Agreement is scheduled to expire, unless the Association and the Board agree in writing to extend this deadline.

- 4.1.2 The agreement shall have a three (3) year duration beginning on September 1 and terminating on August 31. The period of the Agreement shall be September 1, 2022 through August 31, 2025.
- 4.1.3 The parties to this Agreement recognize that the public has an interest in the negotiations and acknowledge a duty jointly to inform the public of the scheduled negotiation meetings.

4.2 **Other Negotiations**

At times other than those prescribed for full-agreement negotiations in Article 4.1, either the Board or the Association may submit a written request to negotiate subjects concerning employees' salaries, wages, hours, and conditions of employment. Such requests shall specify the subject matter to be considered.

- 4.2.1 This provision is not intended to allow for changing the language or the intent of the existing Agreement outside of the normal bargaining cycle outlined in Article 4.1. From time to time, however, waiting until the next negotiations period to address matters that arise may be impractical. Therefore, during the term of this Agreement and between regularly scheduled bargaining sessions, the parties may choose to engage in interim negotiations. The Agreement may be reopened by mutual consent of the parties at any time
- 4.2.2 Upon a request for interim negotiations in accordance with Article 4.2, the Association or the District will submit a written response in accordance with Article 4.3. If the parties agree to interim negotiations, the parties shall jointly assign the matter to a group of individuals. If matters are related to the interpretation of the Agreement or matters on which the Agreement is silent, any agreements related to such matters will become a Memorandum of Understanding subject to the approval of the Association and the Superintendent. If approved, the Memorandum of Understanding will be binding on both parties but shall be reviewed at the next full-agreement bargaining session. If the Memorandum of Understanding is not incorporated into the Agreement at the next full-agreement bargaining session, the Memorandum of Understanding shall expire.
- 4.2.3 Matters that change existing provisions of the Agreement will be referred to the membership of the Association and the Board for ratification. Matters that are ratified during interim negotiations will become a Memorandum of

Understanding that will be binding on both parties but shall be reviewed at the next full-agreement bargaining session. If the Memorandum of Understanding is not incorporated into the Agreement at the next full-agreement bargaining session, the Memorandum of Understanding shall expire.

4.2.4 Salary and group insurance provisions are subject to annual negotiations unless the Association and the Board agree in writing to forgo negotiations concerning salary and flex benefit provisions at least ten (10) calendar days before such negotiations are scheduled to begin. Negotiations concerning salary and flex benefit provisions must be finalized by May 1 of each year. This deadline can be extended by written agreement of the Association and the Board, but, in any event, negotiations regarding salary and group insurance provisions must be finalized by June 15 of each year.

4.2.4.1 As of the time they are made available to the Board, the Board will provide the Association with a Superintendent's proposed budget for the next fiscal year, as well as available preliminary budgetary information and proposals affecting classified office professional employees' salaries, wages hours and conditions of employment

4.3 **Conducting Negotiations**

Upon receipt of a written request to negotiate, the Association or the Board shall submit a written response to the other party within ten (10) Working Days. The response shall indicate whether the party in receipt of the request to negotiate consents to negotiate, and, if so, what subject(s) that party agrees to negotiate.

4.3.1 Negotiations on agreed-upon subjects will be conducted at times and places mutually agreeable to the negotiators named by each party, provided, however, that the first meeting shall be held within ten (10) Working Days of a party's receipt of the response provided pursuant to Article 4.4.

4.3.2 During negotiations, the Board and the Association will present relevant data, exchange points of view, and make proposals and counter proposals. Upon request of either party, the other will make available for inspection its records and data pertinent to the subject of negotiations.

4.3.3 If negotiations are scheduled during any negotiator's workday, any negotiator shall be released from his or her regular duties.

4.3.4 If negotiations occur on a negotiator's workday, then the negotiator will be compensated for a maximum of eight (8) hours at straight time for the time

spent in negotiations. If negotiations occur on a day on which a negotiator is not scheduled to work, the negotiator's supervisor shall amend the negotiator's work schedule to allow the negotiator to participate in negotiations without increasing the negotiator's weekly work hours.

- 4.3.5 Either party may use the services of outside consultants and may call upon professionals and lay representatives to assist in the negotiations. Costs incurred shall be borne by the party requesting such service(s).
- 4.3.6 Tentative agreements reached as a result of such negotiations will be reduced to writing and will have conditional written approval of both parties pending final adoption and approval of the School District budget. After such adoption and approval, the final Agreement will be signed by the Board and Association and will become an addendum to this agreement. If changes in this tentative agreement are necessary as a result of a legal budget adoption process, the Agreement will be subject to negotiation.

4.4 **Impasse Resolution/Mediation**

Differences shall be settled by peaceful means. In the event the parties are unable to reach agreement within the time limits provided in Article 4.1.1 of this Agreement, they may avail themselves of the following procedures for the purpose of inducing the Board and the Association to make a voluntary peaceful agreement.

- 4.4.1 Either party may declare an impasse. If impasse is reached and the Association and the Board agree, the parties shall select a mediator with the assistance of the Federal Mediation and Conciliation Services (FMCS).
- 4.4.2 If mediation is unsuccessful and if both parties agree, the mediator may issue a written report to the parties explaining the matters still at issue.
- 4.4.3 The parties agree to share the cost of mediation equally.

ARTICLE 5—GRIEVANCES

5.1 **Definitions**

- 5.1.1 A "Grievance" shall mean a written complaint by an employee or employees in the Bargaining Unit that there has been a violation, misinterpretation, or inequitable application of an administrative, Human Resources, District or Board procedure, practice, or policy that affects employees; or a violation,

misinterpretation, or inequitable application of any of the provisions of this Agreement.

5.1.1.1 Unless provided otherwise in this Agreement, an employee may grieve an alleged violation, misinterpretation, or inequitable application of an administrative, HR, District or Board procedure, practice, or personnel policy that affects employees; or an alleged violation, misinterpretation, or inequitable application of any of the provisions of this Agreement but only alleged violations, misinterpretations, or inequitable applications of the Agreement may go to Level III upon the request of the Association.

5.1.1.2 A grievance does not include a complaint of discrimination covered by this agreement and/or Board Policy AC. An employee who believes that they have been a victim or witness to discrimination or harassment, may make a complaint by following the Discrimination Prevention and Response (DPR) process that is fully outlined in Superintendent Regulation AC-R1 (“AC-R1”) or any other applicable regulation.

5.1.1.2.1 A DAEOP Association Representative may attend the initial meeting as identified in AC-R1 with the complainant and/or reporting party if requested by the complainant and/or reporting party.

5.1.1.2.2 If additional meetings are requested by the DPR designee with the complainant and/or reporting party, the DAEOP Association Representative may attend if requested by the complainant and/or reporting party.

5.1.2 The term “Grievance” shall not apply if: (1) the method of review of a matter is prescribed by law, (2) the Board is without authority to act on a matter, or (3) a grievance is specifically prohibited or limited by the terms of this Agreement. "Party in Interest" shall mean the grievant, or any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

5.1.3 "Grievant" shall mean an employee or group of employees, or the Association filing a grievance.

5.1.4 The term “workday” shall mean a day on which the grievant or witness is or would normally be scheduled to work.

5.1.5 Association designee is defined as a person authorized by the Association to represent the grievant at Levels I or II, but shall not include an attorney

currently practicing law and representing the grievant or association.

5.2 **Purpose**

The purpose of this procedure is to seek and secure equitable solutions, at the lowest possible administrative level, to problems that may arise. To the extent permitted by law, this Agreement, and District policy; grievance proceedings, writings and resolutions shall be kept informal and confidential.

5.3 **Procedure**

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is a maximum, and every effort should be made to expedite the process. Specified time limits will be strictly enforced, and a grievance not timely presented will be considered waived unless the time limits are extended by mutual agreement. The grievant will be present at all levels of the grievance process and will be expected to respond to questions posed to her/him during the process but may consult their Association representative or designee.

5.3.1 Upon request, the Board agrees to make available to the grievant and the grievant's Association representative or designee all information in its possession or control not privileged under law that is relevant to the issues raised by the grievant. The Association agrees to make available to the Board and its representatives all information in its possession or control not privileged under law that is relevant to the issue raised by the grievant.

5.3.2 If the Association identifies an employee as a witness whose testimony will be required at a hearing pursuant to this Article 5 during the employee's workday, the Association shall notify the school principal, Human Resources Partner, or the head of the appropriate department at least five (5) work days prior to the date of the hearing, absent extenuating circumstances. As long as the Association provides the requisite notice, the employee will be released without loss of pay for such time as his or her attendance is required at such a hearing.

5.4 **Timing**

No individual's grievance shall be recognized by the District or the Association unless it is presented at Level I within fifteen (15) work days after the grievant knew or should have known of the circumstances upon which the grievance is based. However, if the Association determines that a grievance affects a group of employees, the Association may submit the grievance in writing at Level II. No grievance shall be recognized at Level II unless the Association files the grievance with the Department of Human Resources within twenty (20) work days after the Association knew or should have known of the circumstances upon which the grievance is based.

If both parties have not agreed to extend the time limits for processing a grievance, and the supervising administrator or the District's designee does not meet the time limits for processing a grievance, the grievance may be moved to the next level at the request of the grievant(s) or the Association. If the grievant or the Association do not meet the time limits for processing a grievance, the grievance shall be considered waived.

5.4.1 *Level I-Informal Meeting*

A grievant shall first present a grievance to his/her immediate supervisor in the form of a request for a meeting to attempt to resolve the matter informally. The meeting must be requested within 15 work days of the alleged violation. The grievant may be accompanied by an Association representative or designee during the Level I meeting. The head of the relevant department or their designee may attend the Level I meeting in an effort to resolve the grievance at the lowest possible administrative level. At this time, the grievant may:

- (1) Discuss the grievance personally, and
- (2) Be accompanied by the Association representative or designee or
- (3) Request that the Association representative or designee speak on behalf of the grievant.

The parties will document the time and date of the informal meeting. The informal meeting shall be held within ten (10) workdays of the employee's request.

The outcome of the informal meeting shall be reduced to writing on the approved form and signed by the parties at the conclusion of the meeting. A copy will be given to each party.

5.4.2 *Level II-Formal*

If the grievant is not satisfied with the disposition of the grievance after the informal Level I meeting, the grievant may file a grievance in writing on a Grievance Disposition Form with the Department of Human Resources within seven (7) work days of the conclusion of the Level I meeting.

The Grievance Disposition Form must contain specific references to the articles of the Agreement and/or policies, procedures, or practices that the grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level I decision is unsatisfactory. Both the grievant and his or her immediate supervisor shall sign the Grievance Disposition Form, but the grievant may proceed with filing the Grievance Disposition Form if the grievant's immediate supervisor does not sign the Grievance Disposition Form within the prescribed time limits. The grievant's immediate supervisor may provide comments related to the Level I process on the Grievance Disposition

Form. No additions to the Grievance Disposition form may be made after it has been signed by the grievant and his or her immediate supervisor.

Upon receipt of a grievance, the Department of Human Resources shall schedule a Level II grievance hearing. The Level II grievance hearing shall take place within fifteen (15) work days of the Department of Human Resources' receipt of the grievance.

During the Level II grievance hearing, the District's hearing officer shall hear the grievance, and, attempt to facilitate a resolution. If, at the Level II hearing there is an agreed-upon resolution to the grievance, the resolution will be documented in writing and signed by the grievant and the District's designee(s). Any resolution reached at the Level II hearing shall be final, and no continuation of the grievance will be permitted unless the grievant believes the resolution has been violated by the administrator, manager, the District or designees. If the grievant believes such a violation occurred, the grievance will be remanded back to the Level II hearing officer. The hearing officer will determine whether the resolution was violated. If the hearing officer determines the resolution was violated, he/she shall enforce the resolution. If the Hearing officer determines he/she is unable to enforce the resolution, the grievance shall proceed through the grievance process at Level II, and a new Level II hearing may be scheduled at the discretion of the hearing officer. If a new Level II hearing is not required, the hearing officer shall issue a decision on the merits of the original grievance. If no resolution is reached during the Level II meeting, the hearing officer shall issue a written decision to both parties.

If both parties have not agreed to extend the time limits for processing a grievance and the supervising administrator or the District's designee do not meet the time limits for processing a grievance, the grievance may be moved to the next level at the request of the grievant(s) or the Association. If both parties have not agreed to extend the time limits for processing a grievance and the grievant or the Association do not meet the lime limits for processing a grievance, the grievance shall be considered waived.

5.4.3 *Level III*

If the grievant is not satisfied with the disposition of the grievance at Level II, or if no decision has been rendered within ten (10) work days after the hearing officer has conducted the Level II hearing, the grievant may request that the Association submit the grievance to arbitration or mediation. This request must be made within seven (7) work days of the grievant's receipt of the Level II decision.

If the Association agrees to submit the grievance to arbitration, the Association shall submit a written demand for arbitration to the Department of Human Resources within twenty-five (25) work days of the Association's receipt of the

grievant's request for arbitration. The demand for arbitration must refer specifically to the articles of the Agreement that the grievant alleges were violated, misinterpreted, or inequitably applied; explain how they were violated, misinterpreted, or inequitably applied; and indicate the reason why the Level II decision is unsatisfactory.

5.4.3.1 Mediation

Upon mutual agreement of the Association or its designee and the Department of Human Resources or its designee, the parties may submit the grievance to mediation before scheduling arbitration. If dissatisfied with the mediation process the Association may elect to proceed with the arbitration process.

If the parties agree to mediation, the parties shall jointly select a mediator from a list provided by the American Arbitration Association. Alternatively, by mutual consent, the parties may utilize the Federal Mediation and Conciliation Service (FMCS). If the parties cannot agree on a mediator, the grievance shall be submitted to arbitration.

At the conclusion of the mediation process, the parties will implement any action agreed to through the mediation process. If the mediation process is unsuccessful, the Association may demand arbitration within seven (7) work days of the conclusion of mediation.

5.4.3.2 Arbitration

If the Association elects arbitration, the Department of Human Resources or its designee and the Association or its designee shall discuss selection of an Arbitrator. If the parties agree on an Arbitrator, the District's designee shall submit a request within five (5) work days to the selected individual to preside over the Grievance.

In the event that the parties cannot agree on the choice of an Arbitrator, they shall submit a joint request to the American Arbitration Association for a list of seven (7) Arbitrators skilled in arbitration of educational and/or clerical workplace issues. Within ten (10) work days of the receipt of the list, representatives of the Association and the District shall meet and alternately strike a name on the list. The last name remaining shall be the appointed Arbitrator.

5.4.3.2.1 The Arbitrator will have authority to hold hearings and make procedural rules.

- 5.4.3.2.2 All hearings held by the Arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.
- 5.4.3.2.3 The Board and Association will present all relevant material so that the Arbitrator will have complete information upon which to base a decision. A copy of any information presented to the Arbitrator will be provided to the Association by the Board and to the Board by the Association in advance of the hearing.
- 5.4.3.2.4 The Association and the District will mutually exchange written witness lists at least two work days in advance of the hearing.
- 5.4.3.2.5 The Arbitrator will issue a report within thirty (30) business days after the close of the hearings and submission of any post hearing briefs. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.
- 5.4.3.2.6 The Arbitrator's report shall be submitted in writing to the Board and the Association only, and shall set forth the Arbitrator's finding of fact, reasoning, conclusions, and recommendations on the issues submitted. The Arbitrator's recommendations shall be consistent with law and with the terms of this Agreement. The Arbitrator's report shall be advisory only, and not binding on the Board or the Association.
- 5.4.3.2.7 Within seven (7) work days after receiving the report of the Arbitrator, the Board's designee and the Association's designee will meet to discuss the report. If the Association wishes to respond to the Arbitrator's recommendation, the Association may submit a written response to the Board's designee within fourteen (14) work days following the Association's receipt of the report of the Arbitrator. The Board will review and consider any documents provided by the District or its designee and any response by the Association and shall accept or reject the Arbitrator's recommended decision at the next regular meeting of the Board of Education after receipt of the Arbitrator's recommended decision unless

the Association and the Board agree in writing to extend this deadline. No public release may be made until after the issue has been submitted to the Board for its decision.

5.4.3.2.8 The costs for the services of the Arbitrator or mediator including per diem expenses, if any, plus actual and necessary travel and subsistence expenses, shall be shared equally by the Board and the Association.

5.4.3.2.9 Upon mutual written consent of the Association and the Board, or at the request of the arbitrator, the parties may make a recording of the arbitration proceedings. Any party may request an official stenographic record of the testimony of the hearings. The party requesting shall pay the costs. If the other party requests a copy of the record, both parties shall split the cost of making the stenographic record.

5.4.3.2.10 In appropriate cases, both parties may agree to follow the expedited rules and procedures of the American Arbitration Association or the Federal Mediation and Conciliation Services FMCS in processing any Grievance at Level III, except that the Arbitrator shall always be chosen pursuant to Article 5.5.3.2.

5.5 Rights of Employees to Representation

5.5.1 Neither the Board nor any member of the Association shall take reprisals affecting the employment status or working conditions of any person, any Party in Interest, any grievant, any Association representative, or any other participant in the grievance process by reason of such participation.

5.5.2 All Employees who file a grievance shall be represented solely by the Association and/or the Association's designee(s) at all levels of the grievance process, except that the grievant may decline representation at Level I. A grievance may not proceed from Level I to Level II or from Level II to Level III without the consent of the Association and without the Association or its designee's representation of the grievant.

5.5.3 Upon request, a complainant or respondent may have either a non-witness educator or representative from the Association (collectively "representative") present at an AC-R1 (DPR) investigative interview conducted by an investigator assigned by Office of Talent (Human Resources). Such a request must not unduly interfere with the investigator's ability to conduct a timely

investigation. During questioning by the investigator, the representative may participate only to the extent of seeking clarification of questions. The investigator may remove a representative from an investigative interview if they are deemed to be interfering with the interview or engage in disruptive behavior; where a representative is removed, the interview will continue without a representative present.

ARTICLE 6—REDUCTION IN STAFF

6.1 Reduction in Staff

Reduction in staff will be defined as a necessary reduction in the work force beyond the normal attrition due to economic or operational needs. Reductions will be made at the school and/or department level.

In the event that a reduction in the number of positions is necessary at any given worksite, the District shall provide thirty (30) days written notice to the affected employee or employees and will provide DAEOP with a list of those sites and employees impacted. The Association shall have at least 30 days to review the reduction before the reduction takes effect. The District will consider recommendations from the Association.

6.2 Reduction Procedure

6.2.1 In determining which individuals within an identified job classification will be impacted by a reduction, work sites (schools or departments) will apply the following criteria in the following order:

1. Consider normal attrition within the impacted job classification prior to any staff reductions.
2. Reduce employees that are not on a work year calendar within the impacted job classification first.
3. Probationary employees within the impacted job classification who have been employed by the District for 90 days or less will be reduced next.
4. If steps one through three do not achieve the necessary reductions, the manager will consider appraisals for the current work year and the employee's skills for all individuals within the impacted job classification. In cases where a manager has not yet appraised all employees within the impacted job classification, the employee's three prior appraisals or documented job performance, that has been shared in

writing with the affected employee(s), will be considered.

5. If the preceding criteria are equal, the least senior employee shall be reduced. For purposes of reduction, seniority will be determined based on an employee's most recent date of hire ("hire date") into the District.

6.3 **Disposition of Impacted Employees**

The following processes will be used to facilitate securing positions for impacted employees: The District will maintain a listing of impacted employees in order of seniority with the most senior employee at the top of the list. The list will be made available, to principals and hiring managers by the Department of Human Resources.

1. Impacted employees will be added to the listing when they are first notified of a pending reduction. The impacted employees will remain on the listing until one year after their date of reduction, or until they secure another position.
2. Impacted employees will be given two guaranteed interviews for DAEOP positions to which they have applied.
3. For positions where multiple impacted individuals request guaranteed interviews, hiring managers will be required to interview at least three (3) of the impacted individuals, but are not limited from interviewing additional impacted individuals who may have applied to the position.
4. In addition to the above processes, the District will offer impacted employees, upon their request, resources on effective job search techniques (e.g. resume writing, interviewing, etc.) DAEOP leadership may provide the District with any job search resources they feel will be helpful for their impacted members.
5. Impacted employees will be given time off for internal interviews if they are scheduled during the work day.
6. If it is determined that a reduction within the impacted job classification is no longer necessary, at any time between the notice of the RIB and the conclusion of the current work year, the reduced DAEOP member has the first right of refusal to their former position. If multiple employees were impacted, the employee with the higher appraisal rating and/or skill for the job will have the right of refusal to their former position.

- 6.3.1 When an impacted employee accepts a position with a different work year from their reduced position, and that difference creates a potential break in service, the District will, in an attempt to avoid or minimize the break in service, pay out the employee's vacation (if applicable) and modify the proration of the employee's pay during the first year in the new position, after consultation with the employee.
- 6.3.2 When an impacted employee accepts a position in a lower classification, and their rate of pay is within the range of the new position, their rate of pay will remain the same. When an impacted employee accepts a lower level position and their rate of pay is above the maximum for the position their rate of pay will be reset to the maximum salary for the new position.
- 6.3.3 If an impacted employee does not secure a full time position, they can opt to be converted to a part-time or hourly position dependent on availability and selection.
- 6.3.4 The employment of employees who do not secure a position will end on the date referenced in their written notification of reduction. This date is based on the employee's [work year calendar](#).
- 6.3.5 The District and DAEOP will work collaboratively towards assisting impacted employees.

6.4 School Closures and Consolidations

In the event of a consolidation of two or more schools, non-centrally based office professionals from the consolidating schools will have first rights to interview for posted positions in the new consolidated school(s) resulting from their school's consolidation for which they apply and are qualified.

Employees impacted by the consolidation that are not offered a position through the process above, will be provided all rights within Article 6.3.

ARTICLE 7—TRANSFER

7.1 General Principles

- 7.1.1 A change in assignment from one school or worksite to another may be requested by the employee affected, by the principal or designated administrator at the employee's school or worksite, or may be initiated by the Chief Human Resources Officer or designee. The approval of the Chief Human Resources Officer is required before any such change in assignment is granted.

7.2 **Lateral Transfer Requested by an Employee**

7.2.1 A lateral transfer is defined as a change in assignments and/or locations within the same classification and pay scale. The employee may apply for vacant positions posted on the District's careers website. When selected for a position and whenever possible, the employee will provide of two-week's notice to her/his current supervisor before the transfer will take effect. This timeline may be waived by mutual agreement of the supervisors in collaboration with the employee.

7.2.2 Promotions and demotions are not considered lateral transfer requests.

7.3 **Administrative Transfer**

7.3.1 An administrative transfer may be made at the discretion of the Chief Human Resources Officer or designee upon recommendation by the employee's supervisor.

7.3.2 If such request for transfer is performance based, it shall be granted only after the employee has had an opportunity to improve such performance concerns through the appraisal process.

7.3.3 In the event an opening exists for which the employee is qualified, the employee being transferred shall be placed in a comparable position with respect to grade and salary previously held.

7.3.4 If no opening exists for which the employee is qualified within the same classification at the time of transfer, the employee shall be placed in a position of lower classification for which the employee is qualified, provided such an opening exists.

7.3.5 When an employee is transferred to a lower classification as a result of an administrative transfer, she/he shall retain the previous rate of pay for a maximum of three (3) months or until a position of the same classification is available, whichever occurs first. The employee must be offered the available position(s) at the previous classification for a period of three (3) months.

7.4 **Posting of Positions**

7.4.1 The Department of Human Resources shall electronically post all vacancies or new positions as they occur during the year. The District shall adhere to Human Resource guidelines established for posting of positions. The Association shall be notified of any changes to these guidelines. Posting is for the purpose of

soliciting a written expression of an employee's desire to be considered for such positions.

- 7.4.2 Postings will contain the job title and location, a brief description of the major duties, rate of compensation, general description of benefits, and a summary required and desired qualifications. DAEOP positions will be posted for a minimum of 5 work days. Short-term hourly and part-time positions will be subject to the minimum posting requirement in accordance with the Equal Pay for Equal Work Act. The minimum posting period shall apply to promotions of existing staff within a school or department.
- 7.4.3 New positions or vacancies occurring as a result of reorganization within a department shall be posted.
- 7.4.4 The applications of all annual salaried or hourly employees with one (1) or more years of clerical experience with the District, who apply for positions and meet the minimum qualifications as stated on the job posting, will be reviewed by the appropriate administrator. The administrator will schedule interviews based on this review.
- 7.4.5 Hiring Managers will notify the Department of Human Resources of the selection within thirty (30) days after the closing date of the posting.
- 7.4.6 The District's Affirmative Action Plan shall be followed wherever applicable.

7.5 **Promotion**

- 7.5.1 Promotion is defined as movement to a position with a maximum salary step higher than the maximum step of the employee's current salary range. Employees desiring promotion that involves a change of assignment from a school or department to an administrative office or vice versa, must meet the qualifications for the position as determined by the Department of Human Resources and the school's or department's interview team.
- 7.5.2 Employees promoted shall be placed on the new salary range using the following procedures: current salary plus at least five percent (5%) and then placement on the next highest step of the new salary range. The new salary shall not exceed the maximum step of the new salary range.

7.6 **Demotion**

- 7.6.1 Demotion is defined as a movement to a position with a maximum salary step lower than the maximum step of the employee's current salary range. An

Employee who is demoted must meet the qualifications for the new position as determined by the Department of Human Resources and the school or department's interview team.

ARTICLE 8—APPRAISAL

8.1 Appraisal

Employee appraisal should be an ongoing process to be used as a tool to help identify an employee's strengths and areas that need improvement, with the objective of maintaining and/or improving job performance. The appraisal form will be provided by Human Resources, and will be available either on-line on the Human Resources website or through an on-line Human Resources system or platform.

DAEOP and the district will meet annually to discuss the appraisal process and for DAEOP to provide feedback on the process and the appraisal form to the district.

8.1.1 All employees must be formally appraised every year. Within the first six (6) weeks of the employee's work year, the designated administrator will meet personally with the employee at the beginning of the appraisal cycle to review the employee's job description and to explain the nature of the appraisal. The annual appraisal cycle will be expected to include a discussion at the start of the cycle to set expectations, as well as a discussion mid-cycle to review the employee's performance relative to the expectations. At the end of the cycle a written appraisal will be completed and submitted to the Human Resources Department. There is an expectation that informal feedback will be provided throughout the appraisal year.-

8.1.2 *Review:* The employee appraisal shall be reviewed by the designated administrator with the employee. A written copy of the appraisal shall be provided to the employee or the employee shall have access to the completed appraisal.

8.1.3 *Signature:* The employee shall sign the appraisal to be submitted to Human Resources. The signature of the employee on the appraisal form shall indicate that the employee has read the evaluation and discussed its contents with the designated administrator. Signing does not necessarily mean agreement with the appraisal.

8.1.4 *Disposition:* The employee may make a written statement concerning the content of an appraisal. Such written statement will be made within seven (7) working days of the review of the appraisal. The employee's written statement and comments will be attached to the appraisal form and placed in the employee's personnel file.

8.1.5 *Performance Improvement:* If performance concerns are identified at any

point during the appraisal process, supervisors may use counseling, coaching, training and / or the development of a performance improvement plan to address these concerns. If the supervisor decides to proceed with a performance improvement plan, then the employee has the option of requesting that an Association Representative be present. Such a request shall not delay the process more than two (2) working days. Employees will not be placed on an improvement plan until they have been informed of any performance concerns in writing.

- a. A plan of improvement shall be initiated by a conference between the identified administrator and the employee. The written plan shall be jointly developed between the identified administrator and the employee and shall include specific corrective measures and related timelines. The plan of improvement will identify any persons who will assist the employee and any resources the administrator feels the employee must utilize. The plan of improvement timeline will not be less than forty (40) working days, and will include a minimum of two (2) scheduled reviews.
- b. At the conclusion of the timeline for the Plan of Improvement, another conference shall be held between the designated administrator and the employee at which time the initial concerns and steps to correct deficiencies will be reviewed. If the review results are satisfactory to the designated administrator, the appraisal is concluded. If the review results are not satisfactory, the designated administrator may initiate appropriate action as follows:
 1. Extend the plan's timeline, or
 2. Request an administrative transfer (Article 7.3), or
 3. Recommend termination of employment.

ARTICLE 9—HOURS AND SELECTED WORKING CONDITIONS

9.1 Probationary Period

All new employees covered by this Agreement must serve a three (3) year probationary period as defined in District Policy GDQD. During the first ninety (90) days of this probationary period, all new employees may be discharged without limitation on the District, or countering action by the Association. After the first 90 days of the probationary period, employees will be dismissed in accordance with District Policies GDQD and GDQD-R.

9.2 **Workday/Work Year**

The regular workday for annual salaried employees is eight (8) hours per day, forty (40) hours per week. These eight (8) hours do not include time for lunch. The typical work year for bargaining unit employees is either 200, 210, 220 or 240 days. Work years can be subject to change with 30 days' notice prior to the end of the school year. In these situations, the individual's total compensation will be changed to be commensurate with the new work year. When possible, the revised contract year will begin following the completion of the employee's current contract year.

9.2.1 **Break Time**

Regular/hourly employees who work four (4) hours shall be granted a 15-minute break. Regular/hourly employees who work eight (8) or more hours shall be granted a 15 minute break every four (4) hours. Breaks may be combined with the lunch break with supervisor approval.

When a DAEOP bargaining unit member responds to an unexpected and urgent situation that requires the employee to work in excess of the forty-hour (40) work week, the principal or supervising administrator shall authorize overtime for the coverage of that situation.

9.4.1 Time worked by an employee on Saturday in excess of the forty-hour (40) work week at the request of the principal or immediate supervising administrator, shall be paid at the employee's regular rate of pay plus one-half (½) times the employee's regular rate of pay.

9.4.2 Time worked by an employee on Sunday or an approved school holiday at the request of the principal or immediate supervising administrator, shall be compensated at the employee's regular rate of pay, plus one and one-half (1½) times the employee's regular rate of pay.

9.4.3 Annually, at the beginning of each school year, the District shall issue a Fair Labor Standards Act (FLSA) directive to principals, supervisors and DAEOP bargaining unit members. The District agrees to consult with the Association in drafting a plain language version of such.

9.4.4 Employees who are designated to perform non-clerical duties, such as playground, lunch room or bus supervision, will be paid at their regular rate of pay, which may include overtime as required by applicable Federal and State laws, and Board and District policies.

As educational professionals, Office Support employees are expected to support the general safety, productivity and operations of the school. The leader or DAEOP employee may initiate a discussion on the employee's duties that must be completed within the workday.

9.4.5 If there is a public health emergency, as defined by the Colorado Healthy Families and Workplace Act, that directly impacts the working conditions of DAEOP employees, the Association and District agree to meet and confer on topics of mutual interest.

Employees shall not be required to work such assignments.

9.5.2 Compensation shall be at the overtime rate of pay for actual hours worked over forty (40).

9.6 **Working Conditions**

The District recognizes that employees have a right to a non-hostile, professional work environment. If a member of the Association feels that they are being bullied, verbally

abused or exposed to other unprofessional conduct or retaliation, they must immediately report the behavior to the Human Resources Department for investigation. The Human Resources Department will investigate the situation and review the results of the investigation with the complainant to the extent necessary and as authorized by Board Policy and applicable law.

10.2.2.1 Employees designated by the Principal and delegated by the school nurse to perform health-related nursing duties will be paid one hundred dollars (\$100) per month. Employees so designated and delegated will be required to meet all training requirements as determined by the school nurse. Delegation and designation may be made for up to one school year at a time. The stipend will cease to be paid, and the corresponding assignment of health-related nursing duties will end, when the employee is undesignated by the principal and/or undelegated by the school nurse and/or moves to another school or department.

10.2.2.2 No bargaining unit employee shall be required to provide services for which they have not been properly trained. 10.2.3 *Pay for assuming higher level duties*

All DPS job descriptions have an “other duties as assigned” component. However, there are times where it is necessary to compensate employees for temporarily assuming the additional duties of another employee, while continuing to perform their assigned role. In these situations, employees will be compensated as follows:

Regular employees, who are directed by their supervisor to temporarily perform the duties of a higher level employee for a minimum of nine (9) business days will receive an extra duty rate stipend according to the following schedule:

OS I to OS II equal to \$4 (four) dollars per hour for the hours worked in the assignment.

OS II to OS III equal to \$4.50 (four dollars and fifty cents) per hour for the hours worked in the assignment.

OS I to OS III equal to \$6 (six) dollars per hour for the hours worked in the assignment.

Regular employees, who are reassigned by their supervisor to temporarily perform in the capacity of any other higher graded position for a minimum of nine (9) business days, will receive an extra duty stipend. Time in position and grade of job will be the determining factors in the amount. In these instances, the HR partner will work with the compensation department to determine the appropriate amount. If the employee/union rep does not feel that the payment is appropriate they may appeal the decision to the Executive Director of the HR Partner team who will have final say so in the matter

Effective January 1, 2007, the value of each longevity increment will be increased to \$840 annually for all longevity increments earned on or after January 1, 2007. For 2007, employees currently receiving one or more longevity increments earned prior to 1/1/07 and not scheduled to receive an additional increment in 2007, will receive an additional \$20 per month (\$240 annually), on their anniversary date in 2007, to be added to their most current annual

increment. Additional increments earned prior to January 2007 will continue to be paid at the \$600, pre-January 1, 2007, rate.

APPENDIX B—SICK LEAVE BANK GUIDELINES

The Sick Leave Bank will be continued under guidelines and procedures developed and administered by the Benefits Board and approved by the District and the Association. Employees may choose to enroll in or opt out of the Bank during open benefits open enrollment of any year. New hires can also enroll within 30 days of hire.

Sick Leave Bank Guidelines and Procedures

Sick Leave Bank (SLB) Summary

The purpose of the SLB is to provide eligible employees, who have exhausted all of their accumulated paid leave (excluding Personal Days) and would otherwise be on unpaid leave, the means of obtaining additional paid sick days upon proper approval. The SLB allows eligible employees time to be restored to health so that they may return to work. It is not the intent of the SLB to provide additional days off for elective surgery.

Usage of SLB must be for a member's personal illness and not for the illness of family members. SLB will only be granted for circumstances that initially require five or more full days of consecutive absence.

Newly hired employees eligible to accrue sick leave have 30 days from their start date to enroll in the Sick Leave Bank. Enrollment is done online through the [DPS Benefits Enrollment Site](#) as part of the new hire benefits enrollment process. Sick Leave Bank will take effect on the first day of the month following the new employee's official start date.

The annual Benefits Open Enrollment period in late April/early May is the only other opportunity for employees to opt-out of or enroll in the program with an effective date of July 1st.

All members will be required to contribute 1 (one) sick leave day annually in November. If one sick day is not available, membership will end effective November 1st.

All members will have a maximum of 40 sick leave days available for use, per year.

Administration

DPS employees established the SLB out of a desire to assist fellow colleagues who were in need due to illness or injury. The days in the bank have been donated by members for the benefit of other members. Ongoing contributions by members of personal accumulated sick days maintains the SLB. The SLB will continue under the guidelines and procedures developed and administered by the Benefits Board, and approved by DPS and the participating employee associations.

Eligibility

All benefits eligible DPS employees working 20 hours or more (.50 FTE) who accrue sick time will be eligible for 40 days (320 hours) of Sick Leave Bank prorated by FTE. For employees working less than 1.0 FTE, 40 day will be provided, prorated by the FTE at time of leave. The following employee groups are not eligible to participate in the sick leave bank: Active Retired (AR), Active Student (AS), Active, Not Benefits Eligible (AN).

Annual Benefits Open Enrollment

- All eligible employees not currently enrolled in the SLB will have the opportunity to enroll in the program during Open Enrollment in late April/early May, with an effective date of July 1.
- All new members must have one sick leave day accumulated as of October 31 following enrollment in order to join the SLB. If an employee does not have the one day (8 hours) to donate, he or she will be removed from the bank effective 11/1 and will be eligible to enroll again the following open enrollment period.
- All eligible employees currently enrolled in the SLB will have the option to opt-out of the SLB during

Open Enrollment, with an effective date of July 1.

- All newly hired eligible employees will be able to enroll or waive the sick leave bank through the online benefits enrollment site located on the Commons. If an employee does not complete online enrollment within 30 days of their start date, they will be enrolled in the sick leave bank.

Continuing Membership

- Members will have one personal accumulated sick leave day automatically deducted annually as a condition of continued membership (reflected on the 2nd paycheck in November).
- Previously contributed days cannot be returned to members for any reason.
- Employees that do not have one day of sick accumulated to donate to the Sick Leave Bank on October 31 will be unenrolled and will have to re-enroll the following spring during annual Open Enrollment.
- Membership for eligible employees shall continue until revoked by the member during annual Open Enrollment, with changes effective July 1.
- When an employee utilizes hours from his or her sick leave bank, the bank will be replenished to its full amount one year from the date the first day of sick leave bank was used, pending a deduction was made in November.

Application for Health Leave and SLB Day Usage

- When applying for medical leave, employees must submit a request and attach a Medical Certification form through [TruePay](#). For information on requesting a leave and to obtain the Medical Certification form [click here](#).
- Available Sick Leave Bank days will automatically be applied to the member's approved personal illness/injury leave. If the leave extends beyond the time the employee has exhausted all other paid leave accrual (sick and vacation – in that order). Personal days may be requested to use during a leave, by contacting Payroll at 3-3900 extension #2.

Guidelines

The following are the specific guidelines which Human Resources will use when determining the merit of an application and the distribution of SLB days:

1. The applicant's own paid leave accumulation (sick and vacation) must be exhausted before the applicant is eligible to draw from the SLB. Future sick leave will not be advanced during the school year.
2. If a member is currently on a Board-Approved or other personal leave, requests for SLB day usage will not be considered.
3. SLB days will only be granted for circumstances that initially require five or more full school/work days of consecutive absences.
4. No applicant will be granted more than 40 days per twelve month period. Each member's 12-month period begins with the first SLB day used.
5. Individuals who use the maximum number of SLB days within a 12-month period are not eligible for SLB day usage for one full year (i.e. Joe used his maximum SLB days with his first usage on Dec. 1, 2018. He would not be eligible to receive additional SLB days until Dec. 1, 2019.)
6. SLB days will be granted in the amount needed to extend paid status as close to the last day of the leave as possible, but no more than the appropriate annual maximum. The leave length and return to work date is defined by approved personal illness leave.
7. Disability due to pregnancy will be treated as any other disability. Sick Leave Bank can be applied for healing time during the first 6-8 weeks (depending on type of delivery). Sick Leave Bank days cannot be used during the "baby bonding" portion of a maternity leave.

8. SLB days will not be used in lieu of disability retirement.
9. SLB days will not be granted for elective surgery that could be scheduled during designated vacation periods or for treatment plans that could be scheduled outside normal work hours.
10. Members who are receiving temporary disability payments from the Workers' Compensation Insurance Fund, Short-term Disability, or Long-term Disability are not eligible to receive SLB days.
11. Members who are receiving payments from a third party as a result of an accidental bodily injury or sickness caused by the negligence or wrong-doing of a third party shall not be eligible to receive SLB days.
12. The SLB may be used only by the individual member for his or her own personal illness/injury and not for the illness of family members or to care for a newborn.
13. Approved SLB days will be granted to the member at their usual daily rate of pay. No employee shall receive more than his or her annual salary as a result of SLB assistance.
14. All granted but unused days must be returned to the SLB.
15. The first 12 weeks of the Family Medical Leave Act Leave (FMLA) runs concurrently with the personal accumulated days and SLB days. Any employee who has been absent three or more consecutive days must provide medical validation and must use all paid sick and vacation leave prior to being eligible for unpaid leave.

Appeal Process

Should Leave personnel have cause to believe an member may be drawing SLB days in violation of the Guidelines and Procedures, that employee shall be notified in writing by the Health Leave personnel and accorded an opportunity to appeal. The member can appeal in writing to Health Leave personnel within 10 working days of receipt of notification. A committee made up of Human Resources and employee association representation will review the case and the majority decision of the committee will be final. Any member found in violation shall be required to repay all obtained days and will be prohibited from re- enrolling in SLB for a period of two years.
