The Denver Public Schools and the Denver Classroom Teachers Association, understanding the challenges facing our teachers in schools subject to a hard closure and the importance of retaining teachers for the remainder of the school year, agree to the following:

Teachers/SSPs at Gilpin Elementary are eligible for a \$1000 closure stipend based on the following conditions:

- The stipend shall be prorated based on FTE status at that school.
- Teachers/SSPs must be actively employed at the school prior to 1/1/17 to be considered for the stipend.
- Stipend payments will appear in the June 2017 paycheck.
- Individuals that receive a written Letter of Reprimand or a Suspension of Pay (as outlined in the District's Basic Fairness & Due Process Guidelines) or a Not Meeting on LEAP or the equivalent rating on any other teacher evaluation system will not be eligible for the stipend. The teacher/SSP may request an exception to this condition and the request will be reviewed jointly by Debbie Hearty, Chief Human Resources Officer (CHRO), and a DCTA designee. If the CHRO and the DCTA designee reach consensus to provide the stipend, the stipend shall be provided.
