AGREEMENT

This AGREEMENT is made and entered into by and between SCHOOL DISTRICT NO. 1 IN THE CITY AND COUNTY OF DENVER AND STATE OF COLORADO and the COLORADO FEDERATION OF SCHOOL SAFETY PROFESSIONALS (herein after referred to as “Patrol Officers”) this 1st day of August, 2019 and shall continue until July 31, 2022.

The Board and the Federation recognize that providing a high quality education for the children of Denver is the paramount objective of the School District and that high morale of the patrol officer staff is desirable for the best education program and that:

The Board is elected by the qualified electors of the School District as the governing body of the School District and, as such, possesses all powers delegated to a Board of Education or to a School District by the Constitution and laws of the State of Colorado, together with the duties imposed thereby.

The superintendent is the Chief Executive Officer of the Board, and as such, administers the affairs and programs of the School District as provided by law and Board policy.

Attainment of the objectives of the educational program conducted in the schools of the District requires mutual understanding and cooperation between the Board, the superintendent and staff, the certificated personnel, and patrol officers. To this end, good faith negotiations between the Board and the Federation, with a free and open exchange of views, is desirable.

Federation members affirm that they recognize that it is imperative that all patrol officers represented by the Federation be sensitive to the needs and aspirations of children regardless of race, color, ethnic background, creed, or economic status and further that intolerant or biased conduct toward students will not be condoned.

NOW, THEREFORE, the parties agree as follows:

5-2-2 As of the time it is made available to the Board, the Board will provide the Federation with a copy of the superintendent's proposed budget for the next fiscal year, as well as available preliminary budgetary information and proposals affecting salaries, wages, and working conditions.

5-2-3 Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

5-2-4 The parties may create joint study committees to advise them regarding complex and difficult issues.

5-2-5 In the event either party chooses to conduct negotiations as an open session, said party shall provide advance notice that a negotiating session has been declared an open session.

5-2-6 During negotiations as described in 5-1 and 5-2 of this Article, releases to news media shall be made only as agreed to jointly.

5-3 Mediation

5-3-1 If the negotiations described in Sections 5-1 and 5-2 have reached impasse, the issues in dispute shall be submitted to FMCS for the purpose of inducing the Board and the Federation to make a voluntary agreement.

Each party has seven (7) days from the mailing date in which to cross off any names to which it objects, number the remaining names in order of its preference, and return the list to the American Arbitration Association. 5-4-2 Tentative agreements must be approved by the Board and ratified by the Federation.

5-4-3 After ratification by the parties and following final approval and adoption of the School District budget, the Agreement will be signed by the Board and the Federation.

ARTICLE 6 - Grievance Procedure

6-1 Purpose

6-1-1 Good morale is maintained, as problems arise, by sincere efforts of all persons concerned, to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

6-1-2 Nothing herein contained will be construed as limiting the right of any patrol officer having a grievance or complaint to discuss the matter informally with any appropriate member of the administration and having the grievance or complaint adjusted provided the adjustment is consistent with the terms of this Agreement.

6-2 Definitions

6-2-1 A "grievance" shall mean a complaint by a patrol officer(s) in the bargaining unit that there has been a violation, a misinterpretation, or inequitable application of any of the

provisions of this Agreement, except that the term "grievance" shall not apply to any matter as to which (1) the method of review is prescribed by law, or (2) the Board is without any authority to act.

6-2-2 An "aggrieved person" is a patrol officer directly affected by such alleged violation, misinterpretation, or inequitable application of provisions of the Agreement and who asserts a grievance.

6-2-3 A "party in interest" is an employee who might be required to take action or against whom action might be taken in order to resolve a grievance.

6-3 Time Limits

6-3-1 No grievance shall be recognized by the Board or the Federation unless it is presented at the appropriate level within fifteen (15) calendar days after the aggrieved person knew, or should have known, of the act or condition on which the grievance is based. No grievance shall be recognized at Level Two unless it is filed with the Department of Human Resources within fifteen (15) calendar days after the act or condition upon which it is based occurred, and if not so presented, the grievance will be untimely. Grievances not timely presented will be considered as waived.

6-3-2 No grievance asserted by the Federation, acting on behalf of a group of patrol officers, shall be recognized at Level Two unless it shall have been presented within fifteen (15) calendar days after the act or condition upon which it is based occurred.

6-3-3 By mutual consent, time limits can be extended at any level of the procedure.

6-4 Procedure

6-4-1 Before taking corrective action which shall be defined as letters of warning, letters of reprimand, and a suspension without pay of an employee, the supervisor shall investigate the matter of concern and meet with the employee to hear the employee's response regarding the situation. The supervisor shall follow the procedures and protocol pursuant to the Basic Fairness document developed after consultation with the bargaining unit.

6-4-2 Level One - Supervisor. A grievance first will be discussed with the aggrieved person's supervisor to attempt to resolve the matter informally, at which time the aggrieved person (1) may discuss the grievance personally, (2) may be accompanied by the Federation's Representative, or (3) may request that the Federation's Representative act on behalf of the aggrieved person. No written documentation of the grievance or administrative response will be required if the grievance is settled at Level One.

6-4-2-1 If the aggrieved person is not satisfied with the results of the informal conference, the aggrieved person may then file a grievance in writing on the proper form with the supervisor within fifteen (15) calendar days. The grievance must refer to the specific Articles of the Agreement and explain how they were violated and indicate the reason why the Level One decision is unsatisfactory. The grievant

will use the Patrol Officer Grievance Disposition Form to file the grievance. The supervisor and the grievant shall sign the Grievance Disposition Form. The supervisor shall also have the opportunity to provide comment related to the Level One process on the Grievance Disposition Form. No additions to this form may be made after it has been signed by the grievant and the supervisor. The grievant shall send a copy of the Grievance Disposition Form to the DPS Legal Department and the Federation. The DPS Legal Department will assign a tracking number to the grievance and distribute copies of the Grievance Disposition Form to the Supervisor and the President of the Colorado Federation of School Safety Professionals.

6-4-3 Level Two - District Representative

The Human Resources Director or designated District Representative will meet with the appropriate Federation Representative, the patrol officer and the supervisor to attempt to facilitate a resolution. Such meeting will take place within fifteen (15) calendar days after receipt of the written grievance by the DPS Legal Department. If there is an agreed-upon resolution to the grievance at this meeting, the resolution will be documented in writing and signed by both parties. The grievance will be closed and no continuation of said grievance meeting will be allowed. If no resolution is reached, a District Representative will be responsible for providing a Level Two response on the merits of the grievance. The written response will be provided within ten (10) business days following the meeting. The Level Two response will be disseminated by the District to the Federation and the grievant. If the grievant is not satisfied with the response, the grievance response will be forwarded to the Federation, Human Resources, the Chief of Safety & Security and the supervisor. The Federation will decide if the matter will be continued to Level Three.

6-4-4 Level Three – Third Party Resolution

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within fifteen (15) calendar days after the Department of Human Resources has conducted the Level Two meeting on the grievance, the aggrieved person may, within five (5) business days of receipt of the response, request that the Federation submit the grievance to a neutral third party. Such request must be in writing and must indicate why the Level Two decision is unsatisfactory.

6-4-4-1 If the Federation deems the grievance meritorious, it may request either arbitration or mediation, in writing to the superintendent or designee, within fifteen (15) calendar days of receipt of the employee's request.

6-4-4-2 If the Federation elects mediation, the provisions of Article 5-3 shall serve as guidelines in choosing the mediator and conducting the mediation process. At the completion of mediation, the grievance process terminates, and any adjustment action to which the parties agreed in the mediation shall be implemented by the parties.

6-4-4-3 If the Federation requests arbitration and the parties cannot agree on the choice of an arbitrator, they shall submit a request to the American Arbitration Association for a list of five (5) arbitrators skilled in the arbitration of educational issues. Within five (5) business days of the receipt of a list, representatives of the Federation and the District shall meet and jointly select an arbitrator.

6-4-4-4 The arbitrator will have the authority to hold hearings and to make procedural rules. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.

6-4-4-5 All hearings held by the arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.

6-4-4-6 The arbitrator's report shall be submitted in writing to the Board and the Federation only, and shall set forth the arbitrator's findings of fact, reasoning, conclusions, and recommendations on the issues submitted. Within five (5) business days after receiving the report of the arbitrator, the Board's designee and the Federation's designee will meet to discuss the report.

6-4-4-7 The arbitrator's report shall be advisory only and not binding on the Board of Education.

6-4-4-8 The costs for the services of the arbitrator, including per diem expenses, if any, plus actual and necessary travel and subsistence expenses, shall be shared equally by the Board and the Federation.

6-5 Miscellaneous

6-5-1 Neither the Board nor the Federation and its members shall take reprisals affecting the employment status of any patrol officer nor any party in interest.

6-5-2 If, in the judgment of the Federation, a grievance affects a group of patrol officers, the Federation may submit such grievance in writing directly to the superintendent or designee, and the processing of such grievance may begin at Level Two.

6-5-3 All written and printed material dealing with the processing of a grievance will be filed separately from the central office files of the participants.

6-5-4 To facilitate efficient operation of the grievance procedure, necessary forms will be developed and distributed jointly.

6-5-5 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

6-5-6 If processing timelines are not met by either the aggrieved or the Federation, and are not extended by mutual agreement, the grievance will be considered waived.

6-5-7 If processing timelines are not met by the District, and are not extended by mutual agreement, the Federation may move the grievance to the next level.

6-5-8 Central Federation representatives may attend and state their views at any level of the grievance procedure beyond Level One.

ARTICLE 7 –Working Conditions

7-1 The length and structure of each patrol officer's regular workday is determined by the patrol officer's current assignment as approved by the appropriate supervisor.

7-1-1 Patrol Officers who work four (4) or more hours shall be given a paid 15-minute break. Patrol officers who work eight (8) hours shall be given two paid 15-minute breaks. Due to the fact that Patrol Officers are classified as emergency responders, Patrol Officers may get called during their break times and are required to respond.

7-1-2 Patrol Officers scheduled to work four (4) or more consecutive hours in a day may request and receive a paid 30-minute lunch break. The lunch break will, to the extent possible, be duty free. Due to the fact that Patrol Officers are classified as emergency responders, Patrol Officers may get called during their lunch period and are required to respond.

7-2 The total number of regularly assigned hours shall not exceed 40 hours per week.

7-3 Patrol Officers required to work more than 40 hours in a week will be paid time and one-half for hours beyond 40. Such additional hours must have prior approval of the supervisor.

7-5 District and School Closures

Employees are responsible for being informed of District closures and of their requirement to report to work during a closure. The central district phone center message will be updated by 5:00 AM to reflect District closure information. The District website will also be updated by 5:00 AM and can be accessed at www.dpsk12.org.

7-6 Scheduling

9-2 Patrol Officers shall have at least one (1) performance appraisal each year.

9-2-1 Other non-administrative personnel may be involved in appraisal procedures for patrol officers, but finalization of appraisals is an administrative responsibility.

9-2-2 Patrol Officers will be informed of the person or persons who will be involved in the appraisal process.

9-2-3 Patrol officers will receive one performance evaluation per year as stated in district procedures for non-exempt employees. The evaluation format selected will be based upon what the district has set for measurement for non-exempt employees and is subject to change based upon the district transitioning to the Core Competencies Evaluation model. The performance measurement system utilized for the upcoming performance cycle will be communicated to each patrol officer no later than August 30th of each year.

The evaluation system will include supervision meeting with and observing officer performance on a regular basis. This may be accomplished by: responding to service calls with officers, ride-a-long time, incident debrief, and performance/feedback sessions. Each officer will have a minimum of two touch points with supervision per semester to aid in the development of the performance appraisal. However, supervision should be vigilant in monitoring performance of each patrol officer on a regular basis.

Supervision should meet with each patrol officer no later than August 15th of each year to

deliver the performance evaluation and discuss goals for upcoming year. Performance evaluations will be filed in the officer's personnel file and with Human resources.

- 9-2-4 Patrol Officers will be given a copy of the appraisal report and will discuss such report with the Supervisor, Division Director or designee preparing the report. The appraisal shall be signed by the Supervisor, Division Director or designee who has prepared the appraisal.
- 9-2-5 After the appraisal is reviewed with the supervisor, the patrol officer shall sign the appraisal report to indicate that the patrol officer is aware of the contents of the report. Such signature does not indicate agreement with the content.
- 9-3 Patrol Officers may reply to their performance appraisal and have such reply attached to the appraisal. Replies must be received within twenty (20) business days. In the event that a supervisor deems a patrol officer is not performing adequately, the supervisor shall first discuss the problem with the patrol officer.
- 9-4 Any evaluation which is unsatisfactory and/or below average must be explained in writing. A planned program for improvement in unsatisfactory and/or below average areas must accompany the appraisal.

- 9-6 Supervisors shall direct the activities of those patrol officers assigned to them.
- 9-7 All patrol officers must serve a 90 working day trial period after completion of Field Officer Training. Until the patrol officer completes the 90 working day trial period, the employee has no contractual rights under the Agreement.
- 9-8 Before taking corrective action, which shall be defined as letters of warning, letters of reprimand, and/or suspension without pay against an employee, the employee's supervisor shall investigate the matter of concern and meet with the employee to hear the employee's response regarding the matter. The supervisor shall follow the procedures and protocols pursuant to the District's Basic Fairness document. If the District wishes to alter the District's Basic Fairness & Due Process document, the Association will be consulted prior to implementing any changes. The District is solely responsible for the content of the document.

ARTICLE 10 – Patrol Officer Files

- 10-1 Patrol Officer permanent central office files shall be maintained under the following conditions:

The patrol officer shall acknowledge reading such material by signing the actual copy to be filed. Such signature does not indicate agreement with the content of the material. The patrol officer shall have the right to answer any such material and have the response attached to the file document.

10-2 Upon written request by the employee, the District shall remove from any active employee's personnel file any derogatory materials and/or warnings or reprimands which have been in that active employee's personnel file for three (3) years so long as such material does not relate to the safety, physical, and moral well-being of children. The District shall have the exclusive responsibility to determine if the material will be retained.

ARTICLE 11 - Transfer

11-1 Patrol officers transferring to another position must give their supervisor a minimum of two (2) weeks' notice before the transfer is effective. If a patrol officer is currently on a Performance Improvement Plan, he/she cannot transfer until the Plan for Improvement is satisfactorily completed.
